

# Thrift Stores

**What do we accept?** Our Thrift Stores accept most items, so please see the list below for what we are NOT able to accept. Health and safety concerns are the most common reasons for our inability to accept an item. (Some items actually cost our agency money because we must pay for their removal).

Thank you for your interest and help! **Items may be dropped off 7 days a week, from 9AM to 5PM (except holidays).**
